Brief Introduction

Mir & Sons International Traders lead by Mr. Shabbir Ahmed CEO Mir And Sons, a distinguished name in the world of international trade, is poised at the forefront of commerce in Quetta, Pakistan. Established with a vision of excellence and a commitment to delivering the best, we have steadily evolved into a trusted and respected entity in the realm of import, export, and general supply.

Our journey is characterized by unwavering dedication to our clients and an unyielding pursuit of quality in all that we do. We firmly believe that the success of any enterprise hinges on fostering strong relationships with partners, understanding the diverse needs of our clientele, and continuously adapting to the ever-changing global market.

At Mir & Sons International Traders, we bring a wealth of experience, a global network of suppliers, and a passion for innovation to every venture. We aim not only to meet but to exceed expectations, offering tailor-made solutions that span continents and industries. Our relentless pursuit of excellence drives us to source the finest products, foster sustainable trade practices, and contribute positively to the economic landscape of Pakistan and beyond.

Our Business Activities

Mir & Sons International Traders is a multifaceted company engaged in a diverse range of business activities, aiming to meet the varied needs of our clients and partners. Our comprehensive services include:

a. Importing

As importers, we specialize in sourcing and supplying a vast array of products from around the globe. Our meticulously curated selection includes commodities such as propane - LPG, butane - LPG, ceramic tiles, bitumen grade, polyethylene PVC, DOP (Diocetyl Phthalate), ferrosilicon, hydrocarbon, white spirit, carbon black, ammonium chloride, zinc, caustic soda flakes, and scrap metal from countries like Armenia, Russia, Tajikistan, and more. Additionally, we import a wide range of consumer goods, from food products like canned beans and tuna fish to agricultural items such as turmeric seeds and ginger. We take pride in our ability to source high-quality products that meet the needs of our diverse clientele.

b. Exporting

Our commitment to promoting Pakistani products and industries extends to our exporting endeavors. We take pride in showcasing the best of Pakistan to the world. Our exported products include premium Pakistani honey and sugar, as well as Asian gelatin, which meets international standards of quality. Furthermore, we export agricultural products like potatoes, oranges, mangoes, and exquisite Pakistani marble and granite, adding a touch of elegance to international projects and homes.

c. General Supplies

Mir & Sons International Traders also operates as a comprehensive general supplier. We understand the importance of reliable access to essential goods and services.
